Dear Sir:

Emails and telephone conversations beginning on July 11, 2006 were conducted between the Examiner and the undersigned attorney. The communications were directed to whether the independent claims were generic to all species. Accordingly, claims 1, 19 and 32 were discussed. No prior art was discussed. The arguments in support of finding the claims generic were presented in an amendment filed July 12, 2006.

Respectfully submitted,
